Extracts from File relating to the Conversion of Davangere Town Municipality into a City Municipality. (D.No.3077/L)

1) The following points in connection with its constitution as a City Municipality require consideration and orders

2) (3) Appointment of a Municipal Commissioner.

The Deputy Commissioner, Chitaldrug District, proposes the appointment of a Municipal Commissioner for this City Municipal Council under Section 239 of the City Municipalities Act, 1933. He has suggested the names of the following officers out of whom a selection may be made:-

(i) Mr. K. Chickanarayanaswamy, B.Sc.,
(ii) Mr. D. R. Chennarudraiya, B.A., M.Sc.

Both these are Senior Assistant Commissioners. At present the Municipal Commissioner, Bangalore City, is of the grade of a Deputy Commissioner. Similarly the Municipal Commissioner to be appointed for the Mysore City will also be of the grade of a Deputy Commissioner. The point for consideration is whether the Municipal Commissioner to be appointed for the Davangere City Municipality should be of the grade of a Deputy Commissioner or of a Senior Assistant Commissioner. Having regard to the financial resources of this Municipality, it would perhaps be sufficient if an officer of the status of a Senior Assistant Commissioner is appointed as a Municipal Commissioner to begin with. If this proposal is approved, which of the above officers may be appointed as such or any other officer of that grade may be appointed is for consideration and orders.

NOTE—Contn. Sheet.

1st January 1948 as already ordered, the following points are for consideration and orders:-

4 Appointment of a Municipal Commissioner. (Intd)G.R.R. 12-12-47.

An Officer of the status of a Senior Assistant Commissioner may perhaps be appointed as Municipal Commissioner for the present. It may not be possible for the Municipality to have an officer of the Deputy Commissioner's grade as such an appointment might prove too costly.

5 Any one of the two officers named by the Deputy Commissioner - referred to above, or any other suitable officer of the Senior Assistant Commissioner's grade, may be selected for the post. The Deputy Commissioner desires that such an appointment should be made very early so that the officer so appointed reports himself for duty at Davangere on 1st January 1948. (Intd) S.A. 22-12-47.

6 Proposals from the Deputy Commissioner, Chitaldrug, are received regarding the appointment of a Municipal Commissioner, Health Officer, Engineer and a Revenue Officer for the Davangere City Municipal Council.

7 As regards the appointment of a Municipal Commissioner, two names are proposed and I select Mr.K. Chickkanarayanaswami, B.Sc., who is now doing duty as Secretary to the Board of Management, Mysore Iron and Steel Works, Bhadravati.

work at Bhadravati and on a previous occasion it was strongly urged by the Vice-Chairman of the Mysore Iron and Steel Works that he should not be disturbed. I would suggest to my Hon. Colleague that he may ascertain the views of the Minister (Industries) if this has not already been ascertained.

9 And generally, I should like all my colleagues the Ministers to consult the particular Minister under whom or in whose department an officer is serving, before ordering his transfer to the department of the Minister.

(Intd) A.R.M.
28-12-47.

10 For the place of the Municipal Commissioner, an officer of the Senior Assistant Commissioner's grade may be appointed. So a panel of 3 names may be sent to me for selection of one out of them.
